---

Dear hiring manager,

My name is mwajuma Issa, i have graduated Bachelor of law in recognised univeristy in Tanzania, and recently fulfilled my practical legal training at the law school of Tanzania while iam still not admitted as advocate.

I have experience in legal aspect,i have attained experience at the time i was legal intern form different law firm and court of law in Tanzania , through internship i have increase knowlege and skills in the field of law.

During i was studying i have attained skills in other fields

include intreprenurship,reception also i have experience in leadership that i can be team leader and guide my self and others for work to make sure that a certain tasks and duties accomplished on time. Iam a person of my word who like to work and love the passion of working, work in place that i can increase my knowledge and skills and use my skills for development of my self and the institute, place or office iam working with.

Iam perfect person for the position i will be available soon as possible for interview. Thank you for your time and consideration.

Best regard.
