Dear Hiring Manager,

APPLICATION FOR TRUCKING FLEET CONTROLLER

Along with my attached resume, I would like to express my sincere interest in the Trucking Fleet Controller position currently available at Danvast Careers Search

I am an accomplished professional who brings a breadth of knowledge and skills that allow me to contribute towards your success at achieving organizational goals and objectives through process optimization and initiatives.

I am a Supply Chain Professional with long experience and outstanding career in Procurement Management, Warehouse Management, General Logistics Management, Fleet Management, Asset Management and Leadership. During my 20+ years of work at Medical Stores Department as a Central Warehouse Manager and Zonal Operations Manager, A Procurement Specialist at One Acre Fund Tanzania and now a Procurement and Logistics Manager at Baylor College of Medicine Children's Foundation Tanzania, I gained a massive experience in Managing a business unit with multi-functional tasks. I have reviewed the job Description in the advert and I am excited that it aligns well with my qualifications, knowledge, skills and experience.

I am strong and active with a demonstrated ability to work to tight deadlines. My additional skills in effective communication, problem solving, and staff direction; allow me to excel in driving successful executions of a multi-functional tasks and ensuring achievement of corporate objectives.

With my proven track record of spearheading strategic Logistics Management, along with my demonstrated analytical skills and my superior team leadership skills, I am well placed to exceed your expectations for this role and substantially benefit your Client.

Thank you for your time and consideration on my application. I look forward to receiving your call or e-mail to schedule an interview session so as to get into more detail about what I can offer to your Client on this role.

Kind Regards,

Herman A. Mng'ong'o
