Dear Sir/Madam,

RE: APPLICATION FOR FARM MANAGER
POSITION.

The heading above is concerned,

I am Tanzanian male with 24 years old, holding a bachelor of science in horticulture (BSc HORTICULTURE) from Sokoine University of Agriculture (SUA).

I feel honored to write this letter applying for farm manager/agronomist position in your organization. I am competent enough for the duties mentioned on the job announcement given by your organization.

I have been dealing with the issues relating to sugar cane production especially in establishing and managing sugar cane, irrigation activities and pest control at Montfort agricultural high school from 2019 to date working as volunteering school agricultural officer.

I will feel pleased to work with you and other staff members with all of my efforts, skills, and experience so as to foster the goals of the organization at its best.

All my educational qualification and other informations are detailed in the attached Curriculum Vitae (CV).

I hope you will give me a chance
Yours Sincerely.

E. Wanyato
