DAR ES SALAAM.

04TH JULY, 2024.

HIRING MANAGER,

REF: APPLICATION FOR A POSITION OF A CIVIL TECHNICIAN.

Dear Sir/Madam,

I am excited to after finding out a job opportunity from Danvast Career Search. As a dynamic Civil Technician with 5 years of professional experience doing construction works which includes, Building construction, Civil works, Roads constructions, Water management and Supply in order to drive good results. I'm confident that I will be a valuable asset to your team.

I am knowledgeable in all civil works, Building, water management and Supply with extensive experience. I was formally working at Halem Construction Company Limited, where I finished my working contract in late January 2024. I've honed my skills doing construction works in water management and supply, building works, road construction and Civil works. While employed I successfully raised our construction projects by 85% over the course of 14 months, contributing substantially to the civil department annual goals.

I'm confident that my proven track record of excellent work ethic, unparalleled attention to detail, and knock for Civil Technician will make me an immediate asset at Organization , and allow me to contribute to the team's success.

I look forward to discussing the Civil Technician position and my qualifications with you in more detail. I'm available to talk at your soonest convenience.

Thank you so much for your time and consideration.

Sincerely

Lloyd .S. Tumbo
