HUMAN RESOURCE MANAGER,  
DANVAST CAREER SEARCH,  
DAR ES SALAAM.

Dear Sir/Madam,

**RE: APPLICATION FOR CALL CENTER AGENT- CUSTOMER SERVICE  
JOB.**

Please refer to the heading above,

I am a graduate from Mzumbe University where I majored in Bachelor of Accounting and Finance in Business sector (BAF-BS) and I am currently a CPA candidate registered under National Board of Accountants & Auditors (NBAA). I would like to express my interests in being part of the Finance team in your highly esteemed Company because I believe it will be an ample opportunity for me to add value to the Company by contributing my experiences, skills and strong educational background.

I had an opportunity to work for Tanzania International Petroleum Reserves Limited (TIPER) for a period of 1 year 9 months in aggregate as a field student and an Assistant accountant intern in the Finance & Administration department. During my time there, I could deliver my duties according to the different roles I was assigned including the efficient use of computer and Microsoft office, outlook and google mails. I have consistently delivered efficient and high-quality reports to my supervisors and the Finance team at large. Not only have I accomplished my work on time, but it has also been a great place for me to learn and gain more skills that I see fit for this position I am applying.

I have attached my curriculum vitae (CV) along with this letter, thank you in advance and I hope to hear from you soon through the contact information below.

Yours sincerely,

Flora Laurent Gallet,
