Duties/Activities

- Resolves faults, alarms, and alerts of the machine
- Ensure machines are operating at centerline specification.
- Ensure presence of machine inputs for the line production.
- Overseeing the production process through inspecting mechanical components, equipment and systems.
- Ensure line improvement through data analysis and priotization of elimination of any setback of production time.
- Prepare report document by using MS Word

Trainee

Practical Field Training, in the following duration and Organizations:

Tanzania Zambia Authority (TAZARA) Workshops into the (Machining, Welding and Fabrication, Foundry, Coach and Wagon workshops) - October 2021-November 2021 and October 2022-November 2022:

Duties / Activities

- Perform metal fabrication.
- Routine maintenance in a machine to acquire proper operation.
- Perform general machine operations. (Drilling, Grinding, Etc.)
- Troubleshooting of pneumatic and hydraulic system.
- Perform general cleanliness of locomotive wagon

Mtwara Gas Power Plant (Maintenance and repair of engines) - July 2019-September 2019

Duties / Activities

- Learning gas engine, how it works and its components.
- Perform preventive maintenance to the gas engines per schedule like oil changing
- Overall maintenance of the engine parts like crankshafts
- Keeping records of machine and engine operating hours
- Repair and maintain machinery and engine parts.

Tanzania Mechanical and Electronics Service Agency, (TEMESA) HQ DARESSALAAM (Vehicle maintenance and repair) - June 2018-Agust 2018:

Duties / Activities

- Learning Engine how it works and its part.
- Learning different vehicle systems, their working principles and their components.
- Vehicle troubleshooting, inspection and repair.
- Perform corrective and preventive vehicle maintenance.

PERSONAL SKILLS

- Basic computer application (Microsoft office word, excel, power point etc.)
- Basic Computer programming languages like C and python.
- Computer Aided Design (CAD) and Computer Aided Manufacturing (CAM) skills.
- Solid work and AutoCAD skills
- Interpersonal skills
- Ethic and motivation skills
- Excellent communication skills
- Entrepreneurship Skills
- Leadership skills
- Teaching Education skills
- Driving skills

CERTIFICATIONS AND PARTICIPATION

certificate from Tanzania Electrical Supply

Company Limited (TANESCO) at

Mtwara Gas Power Plant after Completion of Industrial Practical Training from July to September 2019

Α

HOBBIES

- Exchanging and sharing ideas with different people.
- Watching football.
- Travelling and Touring.
- Practicing physical exercise.
- Reading books example "How to win friends and influence people" and "Emotional Intelligence"
