REF: APPLICATION FOR THE POSITION OF SENIOR INTERNAL AUDITOR.

I am writing to express my interest in the Senior Internal Auditor role for your manufacturing company. With over 15 years of experience in auditing, risk management, and compliance within multinational and banking industries, I bring a solid track record of safeguarding assets, assessing risks, and improving internal controls. My expertise in handling complex audit engagements, identifying business process improvements, and conducting fraud investigations makes me a strong candidate for this role.

At SF Group of Companies, I lead audit assignments, manage teams, and provide strategic recommendations that enhance operational efficiency and risk mitigation. I am confident in my ability to add value to your organization by promoting ethics, ensuring compliance, and safeguarding resources through effective audit practices.

I look forward to discussing how my skills and experiences align with your company's needs.

Sincerely,
