Dear Sir or madam ,

APPLICATION FOR A DRIVER

My attention was immediately drawn to the ad on Danvast website which you state you are looking for a Driver. The profile you have outlined fits me very well as I will further explain in this letter.

I am currently not employed. However, I would like to gain more experience through the possibilities offered by Danvast Career Co.Ltd to develop myself in the position of Driver. I am very motivated to get started and would like to show that I can add value to Danvast Career Co.Ltd.

I would describe myself as someone who is humble. Combined with my experience, I believe that I can make a valuable contribution to your organization. I see the position of Driver as the perfect next step in my career. In the position of Driver I expect to be able to develop myself further as a professional.

I would like to further explain my motivation for the position of Driver during a personal meeting. You can reach me either by phone via 0783 755 971 or by email via peterlvitalis@gmail.com.

Thank you for your consideration. I look forward to hearing from you.

Sincerely,

Peter Lello Vitalis
