**CAREER OBJECTIVE.**

I am a self-motivated and committed graduate with a solid foundation of Actuarial Science. I possess a wide skill set including; computer skills, time management, teamwork as well as problem-solving abilities. I am eager to learn from experienced professionals in the organization and contribute my skills and enthusiasm to the team so as to achieve the desired organizational goals.

**SKILLS.**

- ❖ Computer skills (Microsoft Packages; Word, Excel and PowerPoint)
- ❖ Data Analysis & Cleaning
- ❖ Problem solving skills
- ❖ Time Management Skills

## **WORK EXPERIENCE.**

July 2023 – September 2023.

Company: Kenbright Actuarial & Financial Services (T) Limited.

Position: Student Intern.

### **Activities and tasks performed:**

- ❖ Assisted in Financial Modeling to project future cash flows, which were later used in the asset valuation.
- ❖ Performed data checks and cleaning to ensure the datasets were accurate and reliable.
- ❖ Supported the pricing of General and Health Insurance Products, working with frequency-severity pricing methodologies and loss ratio analysis.
- ❖ Worked with team members to review data, perform calculations, and deliver results for ongoing projects.

## **AWARDS.**

- ❖ Cash prize for being an early attendee at an event, ‘Qualifying as an Actuary’ 2023
- ❖ Certificate of Appreciation in Outstanding and Consistent Performance at St. Mary’s Mazinde Juu Secondary School 2019 to 2021
- ❖ Best Student at Nganza Secondary School 2015 to 2018
