SUMMARY

Dedicated factory helper with a high school education, bringing strong skills in equipment operation and a solid understanding of safety protocols. Known for flexibility and adaptability in fast-paced environments, with a keen attention to detail that ensures high-quality work. Excellent communicator with the ability to collaborate effectively in team settings. Committed to contributing positively to team objectives and maintaining a safe and productive workspace. Eager to leverage skills and experience to support operational efficiency in a dynamic manufacturing environment.

OBJECTIVE

Motivated and detail-oriented Factory Helper with hands-on experience in assisting production processes. Eager to leverage strong problem-solving skills and a commitment to safety and quality in a fast-paced manufacturing environment. Dedicated to supporting team efficiency and contributing to overall operational success.

PROFESSIONAL EXPERIENCE

FACTORY HELPER

A To Z Textile Mills . Arusha | Feb 2016 - Nov 2019

Assisted in the production process by supporting machine operators and maintaining a clean work environment. Conducted quality checks on products, handled packaging and labeling, and stored materials efficiently. Collaborated with team members to meet production targets while adhering to safety protocols.

EDUCATION

HIGH SCHOOL

Sinon Secondary School . Arusha | Jan 2004 - October 2008
