ABOUT ME

I am a smart, respectful and hardworking girl whereby I take full responsibilities and duties in a professional way even when am not under supervision.

I am a graduate from Tabora polytechnic college, diploma in clinical medicine. This experience has brought more knowledge to me thus being able to determine the diagnosis through the signs and symptoms of the patient but also finding the proper investigations and medications for a specific diagnosis.

EXPERIENCE

MPANDA HOSPITAL

2023 JUNE-JULY

> Working as a field student to determine signs and symptoms, investigations, medications and a specific diagnosis.

MPANDA HOSPITAL

2024 MAY-JULY

> Working and studying as a field student to determine signs and symptoms, relevant investigations, medications and specific diagnosis.

KISHEVA POLYCLINIC

2025 AUGUST-SEPTEMBER

- > Working as a clinical officer, managing diseases and providing appropriate treatment to patient hence overcoming their disease conditions.
- > Educating patients about various diseases and preventive measures of avoiding diseases.

EDUCATION
