ABOUT ME

I am a dedicated and compassionate Diploma of Nurse and Midwife from Tanzania at Zanzibar University, with hands-on experience in both hospital and community health settings. I worked under the Ministry of Health Tanzania at Kisogwe Hospital, and under the Ministry of Health Zanzibar at Kinyasini District Hospital. I also served as a facilitator for Community Health at Victoria Institute of Science and Technology. I am passionate about patient-centered care, maternal and child health, and empowering communities through health education. I'm adaptable, hardworking, and committed to continuous learning and professional growth.
