Dear Sir/Madam,

RE: RECOMMENDATION LETTER WITH RESPECT TO APPLICANT

ALEX MARTIN ALOICE

I have been requested by the above mentioned applicant to write a reference letter for him.

I have known Alex Martin Aloice during his three years of undergraduate studies at this university. I was his academic advisor and taught him Business Ethics in his final year. He graduated in December, 2022 with an overall GPA of 4.2.

Based on his good overall grade (GPA), he is allowed to pursue postgraduate studies at our university and I am certain he can do equally well in any other university. I have no doubt he can do well in any postgraduate study he is admitted to.

I therefore strongly support his application for further studies at your university.

I look forward to a favourable consideration of his application.

Yours sincerely,
