

SHARIF HASHIM MUNNAH

Self-driven and adaptable Mechanical Engineering graduate specializing in Industrial Safety and Occupational Health from Mbeya University of Science and Technology. Gained practical experience through industrial training with TANESCO and Anglo De Beers Tanzania Ltd, working on engine maintenance, power generation, and workshop operations. A creative thinker and results-driven individual with strong problem-solving skills, successfully completed a final-year project on designing an Ore Transfer Machine for Small Scale Miners. Recognized as a team player, good listener, and fast learner, committed to achieving goals and contributing positively to any organization.

EDUCATION

2022–2025 Diploma in Mechanical Engineering with Industrial Safety and Occupational Health

Mbeya University of Science and Technology

- **Relevant Final Year Project:**
Design of Ore Transfer Machine for Small Scale Miners.

2015–2018 Secondary School Education

St. Leonard Co-Education Secondary School

2008–2014 Primary School Education

Mother Kevin Primary School

EXPERIENCE

July 2024 – Nov 2024

Workshop assistant and store keeper(Trainee)- Anglo de Beers Tanzania Limited

- Conducted excavator maintenance.
- Conducted wheel loader maintenance.
- Designed and fabricated vehicle repair components(bumper).
- Conducted inventory check up.
- Recording and report writing.
- Conducted store organization in proper arrangements

July 2023 – Nov 2023

Equipment maintainer and store keeper(Trainee) – Tanzania Electric Supply Company(TANESCO)-Tegeta

- Conducted engine maintenance.
- Conducted compressor maintenance.
- Conducted inventory arrangement and kept records.
- Prepared reports on inventory and store checks.
- Conducted general maintenance in the plant.

TECHNICAL SKILLS

- Welding
- Designing
- Engineering drawing and interpretation
- Basic computer skills
- Microsoft programs(word, power point, excel)
